

European Light Rail Congress

TWO days of **interactive debates**... EIGHT hours of **dedicated networking**... ONE place to be

Hotel Melia Lebreros – Seville, Spain

13-14 March 2024

The **European Light Rail Congress** brings together key decision makers and leading professionals from across Europe for two days of debate covering the role of technology in the development of sustainable urban travel.

With presentations and exhibitions from some of the industry's most innovative suppliers and service providers, this congress also includes a technical visit and over eight hours of networking sessions.

For 2024 we are taking the congress to the beautiful Spanish city of Seville, home of the Metro de Sevilla system. Both metro and trams run throughout the city providing modern and efficient public transport, with safety and the environment being key factors which contribute to improving the quality of life of the citizens of Seville and the surrounding areas.

The event will be held at the Hotel Melia Lebreros, which provides a superb conference centre that offers everything under one roof for everyone to enjoy. We will be working with our partners once again to offer a superb behind-the-scenes depot visit for delegates; and have also arranged an evening reception with some fantastic food and drinks to allow for maximum networking opportunities.

EVENT BRANDING, POP-UPS, ADVERTS AND INSERTS

A cost-effective way to reach our audience of decision-makers is through directional signage or reception branding, and advertising in the delegate packs that all attendees will take away with them at the end of the event. With a range of options and placements, **please contact us for more details.**

SOMETHING DIFFERENT?

Supporters of the European Light Rail Congress may require a more bespoke package to meet their needs and ambitions. We would be delighted to work with you in creating a tailored package, so if you have a great idea to raise the visibility of your brand and get people talking, we welcome your suggestions!

EXHIBITION OPTIONS

The exhibition area forms an integral component of the European Light Rail Congress. All scheduled breaks will be served in the exhibition areas, guaranteeing frequent exposure as delegates circulate throughout both days. With a flexible space, we have a range of size options and are happy to work with you to provide a prime location (subject to availability).

Benefits include:

- ✓ Two complimentary event passes, including all catering and additional event activities, and discounted rates for additional delegates and guests
- ✓ Detailed entry in the delegate book and discounted rates on additional advertisements and delegate places.
- ✓ Table-top and shell scheme options available, including power and lighting.

FROM £2500, DEPENDING ON SIZE AND LOCATION REQUIRED
