- WHY ODAS/COMPAS FOR BLACKPOOL?
- HOW DOES IT WORK?

An aerial photograph of a dense urban neighborhood, likely in the UK, featuring a prominent brick tower in the foreground. The tower is a tall, cylindrical structure with a square base, surrounded by a paved area. The surrounding area is filled with multi-story residential buildings, mostly in shades of red and white, with grey roofs. Streets are visible with cars and a white van. The text "Safe, smart & reliable urban mobility for cities worldwide" is overlaid in white, sans-serif font across the center of the image.
